

DIVERSITY STATEMENT

BACKGROUND

Diversity has been a part of my life for as long as I can remember. Growing up in a military family in India and having visited several countries, I have experienced a variety of cultures and worked with people from widely different background.

I am particularly inspired by a saying, 'Let noble thoughts come to us from all side,' from the ancient Indian text, the Rig Veda (1.89.1).

EXPERIENCE WITH DIVERSITY

What I've done for diversity.

COMMITMENT TO DIVERSITY

What I will do.
